

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 1595 - SB 1609

March 16, 2020

SUMMARY OF ORIGINAL BILL: Removes references to disabled driver certifications sought by disabled persons whose disability is certified by Christian Science practitioners.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (016920): Deletes all language after the enacting clause. Establishes that a commercial driver license issued with a hazardous materials endorsement expires on the date the hazardous materials endorsement authorization expires. Establishes that this legislation shall take effect January 1, 2021, rather than upon becoming law.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- This legislation will result in a minimal number of commercially licensed drivers needing to renew their license once their hazardous materials endorsement expires.
- Hazardous materials endorsement cost approximately \$86.50 and are issued by a private vendor.
- This will not impact the number of hazardous material endorsements issued.
- This legislation may affect the timing of issuance of commercial driver licenses in a few instances, but will not affect the number of driver licenses issued or the revenue collected from such issuances; therefore, this legislation is estimated to have no significant impact on state government.
